Frequency of Heaven August 8, 2023 Suzi Armstrong

We are surrounded by frequencies. Waves of sound and light create an energy field that we live in. As technology increases so do the number of frequencies that fill the air. Artificial intelligence is here and growing at an explosive rate. Artificial intelligence uses and releases frequencies.

The most important sound is the frequency of Heaven. Frequency is vibration. Your ears pick up the sound; your eyes pick up the light.

Genesis 1.1-3 NIV

¹In the beginning God created the heavens and the earth. ²Now the earth was formless and empty, darkness was over the surface of the deep, and **the Spirit of God was hovering** over the waters.

³And God said, "**Let there be light,**" and there was light.

- Footnote from The Passion Translation on v2: God's Spirit gently vibrated can mean to incubate or to brood, to flutter, to gently move. This movement creates a frequency.
- Note that this was the Holy Spirit who was creating a frequency designed by God for His purpose.
- This is the same Holy Spirit who comes in Acts 2 at Pentecost when a sound or frequency of a mighty wind came and filled the whole house. Everyone was filled with Holy Spirit and began to speak in other tongues – or released a frequency or sound from Heaven.
 - Our spirit is filled with the Holy Spirit who carries the ongoing fresh frequency of Heaven.
 - Like a tuning fork releases a vibration or frequency that tunes the musical instrument, so Holy Spirit tunes us to the frequency of Heaven.
 - Come into union with the frequency of Heaven, with the government of God, with the narrative of the Bible and the physical, mental, emotional, and spiritual dimensions of your being. Come into homeostasis with the life and light of Jesus. Christ in you the hope of glory.
 - Knowledge and wisdom become organic when tuned to the frequency of Heaven.
 - Discernment is amplified. It is easier to see and know what truth is and what is not TRUTH.
 - Thoughts about inadequacy fall away. All things become possible as you unite with the frequency of TRUTH. Christ in you and you in Christ – this is the mystery unveiled.

God said, "Let there be light". Light is described as having frequency and wavelength. When light travels from one heavenly realm to another, the frequency does not change. Thus, the words of God are eternal and cannot be changed or corrupted. In satan there is no light – no frequency of God at all. Therefore, he is the father of lies and can only speak lies.

Scientists say that blood has a frequency between 16 MHz and 30 MHz (megahertz). Disease fragments the God-given frequency of blood. For healing, blood needs to return to its original frequency. Jesus did this on the cross. The blood of Jesus speaks a better covenant. The blood speaks deliverance and healing.

Colossians 1.12 TPT

¹²Your hearts can soar with joyful gratitude when you think of how God made you worthy to receive the glorious inheritance freely given to us by **living in the light.**

- Living in the light is living in the frequencies of God who is the Light-Giver.
- The light of hope, healing, grace, mercy, love, union, goodness.
- When you experience the presence of God you are feeling the physical vibration and energy of His being.

Psalm 19.1-4 NIV

¹ The **heavens declare** the glory of God;
the **skies proclaim** the work of his hands.

² Day after day they **pour forth speech**;
night after night they **reveal knowledge**.

³ They have no speech, they use no words;
no sound is heard from them.

⁴ Yet **their voice goes out into all the earth,**
their words to the ends of the world.

In the heavens God has pitched a tent for the sun.

- Examples of the frequency of Heaven being released.
- We are to release the frequency of Heaven.
 - People send out frequencies of fear, sorrow.
 - Goliath sent out a frequency that put a whole nation in fear.
- Let God set your frequency.
- Let your spirit be activated by what He says.
- He will cause rivers of living water to flow from your belly.

Proverbs 18.21 NIV

The tongue has the power of life and death, and those who love it will eat its fruit.

1 Timothy 1.18-19 NASB

¹⁸ This command I entrust to you, Timothy, my son, in accordance with the prophecies previously made concerning you, that by them you fight the good fight, ¹⁹ keeping faith and a good conscience, which some have rejected and suffered shipwreck in regard to their faith.

- Timothy was told to fight with his prophetic words. That means to hear, speak, believe, and live in the frequency that God has spoken over you and written in your book.

Ezra 2.1 NIV

¹ Now these are the people of the province who came up from the captivity of the exiles, whom Nebuchadnezzar king of Babylon had taken captive to Babylon (they returned to Jerusalem and Judah, each to their own town,

- The people who returned responded to a frequency that called them into their destiny.
- Hear the frequency of your future.

When we read the Word and speak what Holy Spirit puts on our heart to speak as the voice of TRUTH, we release the frequency of God and the frequency of God becomes a threshing sledge that pulverizes, reshapes, and reconstitutes – bringing God’s original intent back to the center. When you remember, you are re-membered – coming back to original intent.

PRAYER AND DECLARATION:

To Detroit and to Michigan we say, re-member that you are loved as when you were created with the breath of God and His divine dance was put in you. As God’s frequency is released over you, you will be reshaped and reconstituted coming back to God’s original intent.

Detroit, open your ears and hear the frequency of Heaven. Receive hope. You Heavens, rain down righteousness; let the clouds shower it down. Let Detroit open wide, let salvation spring up, **let righteousness grow with it, in the mighty name of Jesus!**
